500,00 m2 | 4 bathrooms | 5 bedrooms

Exclusive 500 m² town house for sale in La Massana, in a privileged residential setting This stunning property is located in one of La Massana’s most peaceful and desirable residential areas. The perfect home for those seeking to combine urban comfort with mountain serenity. With a built area of 500 m², this detached house stands out for its spacious layout, contemporary design, and high-end finishes. It is distributed over four floors, all connected by a private elevator and a beautiful solid wood staircase. Floor-by-floor layout Ground floor: function and entertainment Upon entry, two interconnected garages with capacity for up to six vehicles, as well as a spacious social room ideal for gatherings. It includes a fully equipped kitchen bar, a large solid wood table, traditional fireplace, and built-in seating, creating a warm and inviting atmosphere. A separate wine cellar is also included, perfect for storing wines and gourmet products. This level also offers a modern guest WC, a fully equipped laundry room, entry hall, walk-in wardrobe, and a private study ideal for remote work. First floor: The main living room features glass sliding doors, an automated skylight, corner sofas, and a bright, comfortable ambiance. Next to it, the formal dining room opens onto a main terrace with barbecue area and unobstructed views of the valley and surrounding mountains. The independent kitchen, designed by Bulthaup, is equipped with high-end Gaggenau appliances, a breakfast area, and direct access to the terrace. Second floor: The family sleeping quarters include a master suite with a large walk-in closet and a designer bathroom featuring a round hydromassage bathtub with waterfall effect, placed beside a large window. There are also two double bedrooms, each with built-in wardrobes, and a shared bathroom with a hydromassage shower. Top floor: The attic level is fully dedicated to a second master suite, completely independent, with a spacious dressing room, private ba...
