This magnificent 500 m² chalet, located in a quiet and sunny residential area of Encamp, offers breathtaking views of the valley. The property spans four spacious floors, all connected by an elevator. On the ground floor, a two-car garage located at the entrance provides great convenience. The fully equipped kitchen opens onto a large terrace with a barbecue, perfect for enjoying sunny days. The living and dining room, approximately 60 m², features a fireplace and large windows offering unobstructed views of Encamp. This floor also includes an office with a veranda, filled with natural light throughout the year. The lower floor hosts four exterior-facing bedrooms, including a large suite with a walk-in closet, private bathroom, and terrace. Numerous storage spaces and a laundry room complete this level. The basement features a large storage room, a wine cellar, and direct access to the outdoors, where a spacious vegetable garden awaits. The top of the house, is currently set up as a large dining area but offers a versatile space that can be transformed into a gym, library, or game room according to your needs. This floor also includes a second office and additional storage space connected to the garage. With its generous spaces, versatile layouts, and numerous amenities, this home offers an exceptional, warm, and functional living environment that can perfectly adapt to your desires.
